

BENICIA COLLEGE

AND

BOARDING SCHOOL,

AT BENICIA, CAL.

(FOR MALES ONLY.)

This Institution has been in successful operation **TWELVE YEARS**. Its accommodation for the comfort of Pupils, as well as its facilities for Instruction, are of the **FIRST CLASS**.

The location is accessible from all parts of the State. The climate is entirely healthy, being free from the heat of the Interior and the cold winds and fogs of the Coast. The village is quiet, and free from those injurious influences found in large cities and their immediate vicinity.

The Instruction is divided into three parts—the **ELEMENTARY COURSE**, the **ENGLISH** or **SCIENTIFIC COURSE**, and the ordinary **COLLEGE COURSE**. If desired, Pupils will be prepared to enter Eastern Colleges. Book-keeping and kindred branches are also taught, giving the pupil those advantages claimed by Business Colleges.

Especial attention is invited to the **ENGLISH** or **SCIENTIFIC COURSE**, as being peculiarly suited to those who wish to obtain a liberal education, fitting them for almost any business in life, and yet want either time or inclination to pursue the Dead Languages. Close attention is given to making pupils thorough and practical. The number of pupils is limited, so that all can have the instruction of a few able teachers, instead of being placed in large classes under the tuition of inexperienced assistants.

Pupils generally board at the Institution, under the direct charge of the Principal.
