

CRANDALL PATENT

SPRING BED,

COOLEY & GREEN, Proprietors,

123 FRONT STREET, SACRAMENTO,

AND No. 1124 MARKET STREET, SAN FRANCISCO.

*Received First Premium at State Fair, and was on exhibition
at all the District Fairs.*

Was patented in 1866 and its POPULARITY in all the towns
of the West is UNPRECEDENTED. It is the

Lightest,**Cleanest,****Most Elastic,**

AND

Most Durable

BED, EVER OFFERED TO THE PUBLIC.

The Springs are in COUPLETS, and SELF SUPPORTING, thus dispensing
with the use of twine, cords, etc., and from their peculiar construction

CANNOT CRIPPLE DOWN OR GET OUT OF ORDER.

Being without Upholstery, they are easily aired, and present no harbor-
age for BUGS, or any other kind of VERMIN.

Our Beds can be obtained of our Agents in nearly every town in the
State, and thousands are ready to testify to their superiority.
