

PIEDMONT**White Sulphur Springs,****OAKLAND HEIGHTS,****Three Miles from Broadway Depot.**

The House at this charming watering place is now open for the season. It is lighted with gas, contains rooms single or in suites, and is first-class in every respect.

The Tables will be supplied at all times with fresh butter, milk, eggs and vegetables from the Piedmont and adjoining farms, and with all the delicacies of the season from the San Francisco market. Breakfasts, Lunches, Dinners, or Suppers will be furnished to order.

The Billiard Room is situated so that it can be used by either ladies or gentlemen. Other sources of amusement for the patrons of the house will be added.

The Springs are highly charged with *Sulphur, Iron and Magnesia*, and many invalids have already expressed themselves greatly benefited by using the Piedmont waters.

A Bath House is in course of erection, where hot sulphur baths will be supplied to those who desire to enjoy this great luxury.

The Climate is mild and pleasant, and the view from the house and grounds unsurpassed.

The Drive to Piedmont is one of the pleasantest in the State. Go out Broadway or Webster street to Lake Avenue, or across San Antonio bridge and around Lake Merritt.  Finger-boards are placed at all cross roads. Carriages from San Francisco can make Piedmont, by the Oakland Ferry, in about one hour from Pacific Street wharf.

The Piedmont Springs Stage will run regularly between the Hotel and Broadway Station, so that persons doing business in San Francisco can leave by the eight or nine o'clock boat in the morning, and return in the four or five o'clock boat in the evening. Commutation tickets for the stage will be issued to boarders at the Hotel.

Beautiful Cottage Lots can be purchased adjoining the Hotel grounds, and cottages erected for a few hundred dollars. Persons owning cottages can have meals served in their own rooms, or take them at the Hotel at reasonable rates, thus having all the comforts of a *home* without the annoyance of servants and housekeeping, and at much less expense.

Telegraph. The lines of the Western Union Telegraph Company connect with the house.
