

force said orders by calling into requisition the aid of the police of the city.

— * To district the city for purposes of vaccination and general health, and assign to each district a physician, whose duty it shall be to immediately visit every house and residence in his district, and to vaccinate every person who cannot show satisfactory evidence of recent successful vaccination, and to visit every school in his district, and by a careful examination of every pupil in such school to learn if each and every one of such pupils have been recently vaccinated; and if it be found that any such pupil has not been vaccinated, to immediately vaccinate such pupil. Every adult person who shall fail to produce the evidence above required, of vaccination, and shall refuse to be immediately vaccinated; and every parent or guardian who shall prevent or obstruct the examination and vaccination of any pupil or child, as heretofore required, shall be deemed guilty of misdemeanor, and upon conviction, shall be fined not less than ten or more than one hundred dollars, or be imprisoned one day for every two dollars of such fine. (*Ordinance* December 24, 1868, Sec. 1.)

SEC. 3. The expense incurred in carrying out the provisions of section two of this ordinance shall be paid by the persons and property removed, or by the property subjected to sanitary regulations in other respects, or by the city, as in the judgment of the Board of Health may in each case be deemed just.

SEC. 4. It shall be the duty of each physician in this city to report to the Board of Health, in writing every patient he shall have laboring under the small-pox, or any other contagious or infectious disease or epidemic, within twelve hours after he shall be satisfied of the nature of the disease, and to report to the same Board every case of death from such disease as soon as possible; in no case to exceed twenty-four hours after the occurrence of death.

— It shall be the duty of every district physician to watch the general health and cleanliness of his district, and to report the same, weekly, to the Board of Health. (*Ordinance* December 24, 1868, Sec. 1.)

— It shall be the duty of every attending physician, while attending upon any sick person suffering from any injury, complaint or disease, to ascertain if possible their age, when and where born, previous residence, whether single or married, occupation, and cause of death; to report the same immediately to the Health Officer of the City of Oakland, with time of death and cause of death, which report shall be signed by such attending physician. (*Ordinance* December 24, 1868, Sec. 2.)
