

thirteen of this Act, until the street crossings, lanes, alleys, places, or courts, are finally accepted as provided in section twenty of this Act, shall be assessed upon the lots and lands as provided in this section, according to the nature and character of the work; (and after such acceptance, the expense of all work thereafter done thereon shall be paid by said city out of the Street Department Fund).

*Subdivision Three*—The expense of work done on main street crossings shall be assessed upon the four quarter blocks adjoining and cornering upon the crossing; and each lot or part of a lot in such quarter blocks fronting on such main streets shall be separately assessed according to its proportion of frontage on the said main streets.

*Subdivision Four*—Where a main street terminates in another main street, the expenses of the work done on one half of the width of the street opposite the termination shall be assessed upon the lots in each of the two quarter blocks adjoining and cornering on the same, according to the frontage of such lots on said main streets, and the expense of the other half of the width of said street upon the lot or lots fronting on the latter half of the street opposite such termination.

*Subdivision Five*—Where any small or subdivision street crosses a main street, the expense of all work done on said crossing shall be assessed on all the lots or portions of lots half way on said small streets to the next crossing or intersection, or to the end of such small or subdivision street, if it does not meet another.

*Subdivision Six*—The expense of work done on small or subdivision street crossings shall be assessed upon the lots fronting upon such small streets, on each side thereof, in all directions, half way to the next street, place, or court, on either side, respectively, or to the end of such street, if it does not meet another.

*Subdivision Seven*—Where a small street, lane, alley, place, or court terminates in another street, lane, alley, place, or court, the expense of the work done on one half of the width of the street, lane, alley, place, or court, opposite the termination, shall be assessed upon the lot or lots fronting on such small street, or lane, alley, court, or place, so terminating, according to its frontage thereon, half way on each side, respectively, to the next street, lane, alley, place, or court, or to the end of such street, lane, alley, place, or court, if it does not meet another; and the other one half of the width upon the lots fronting such termination.

*Subdivision Eighth*—The expenses of all the aforesaid improvements on overflowed lands belonging to the city shall be defrayed by the city, but no contract for work shall be given out except to the lowest responsible bidder, after an observance of all the formalities required by this Act.

*Subdivision Nine*—Where any work mentioned in section two of this Act (sewers, manholes, cesspools, culverts, crosswalks, crossings, curbing, grading, curbing, piling, and capping, ex-
