

pupils have been recently vaccinated; and if it be found that any such pupil has not been vaccinated, to immediately vaccinate such pupil. Every adult person who shall fail to produce the evidence above required of vaccination, and shall refuse to be immediately vaccinated; and every parent or guardian who shall prevent or obstruct the examination and vaccination of any pupil or child, as heretofore required, shall be deemed guilty of misdemeanor, and upon conviction, shall be fined not less than ten or more than one hundred dollars, or be imprisoned one day for every two dollars of such fine.—[Ordinance, December 24, 1868, Sec. 1.]

SEC. 3. The expense incurred in carrying out the provisions of section two of this ordinance, shall be paid by the persons and property removed, or by the property subjected to sanitary regulations in other respects, or by the city, as in the judgment of the Board of Health may in each case be deemed just.

SEC. 4. It shall be the duty of each physician in this city to report to the Board of Health, in writing, every patient he shall have laboring under the small-pox, or any other contagious or infectious disease or epidemic, within twelve hours after he shall be satisfied of the nature of the disease, and to report to the same Board every case of death from such disease as soon as possible; in no case to exceed twenty-four hours after the occurrence of death.

— It shall be the duty of every district physician to watch the general health and cleanliness of his district, and to report the same, weekly, to the Board of Health.—[Ordinance, December 24, 1868, Sec. 1.]

— It shall be the duty of every attending physician, while attending upon any sick person suffering from any injury, complaint, or disease, to ascertain, if possible, their age, when and where born, previous residence, whether single or married, occupation, and cause of death; to report the same immediately to the Health Officer of the City of Oakland, with time of death and cause of death, which report shall be signed by such attending physician.—[Ordinance, December 24, 1868, Sec. 2.]

SEC. 5. It shall be the duty of every person who is a housekeeper, keeper of a boarding-house or lodging-house of this city, to report to the Board of Health, immediately after the discovery of the presence of any eruptive disease, the name of every person living, boarding, or lodging at his or her house, whom he or she shall have reason to believe to be sick with such disease; and every master, or owner, or consignee of a vessel lying at a wharf, or in any creek, or anywhere in the harbor, within the city, shall make a like report, and within the time specified.

SEC. 6. It shall be optional with any housekeeper, keeper of a boarding-house or lodging-house, to retain within his or her premises any persons having the small-pox, duly providing them with a physician, nurses, and supplies: *provided*, that in that case said housekeeper, keeper of a boarding-house, or lodging-house, shall immediately after the knowledge of the presence of
