

SEC. 2. The Board of Health shall have power, whenever in their judgment public health shall require it :

First—To require the removal of all persons landed into the city from any vessel or railroad, or in the vicinity of the city.

Second—To direct the cleansing and fumigation of any vessel or its cargo, within the limits of the city, and the destruction of any bedding, clothing, or portion of a cargo, that they may deem infected and likely to spread disease.

Third—To give such directions and adopt such measures as in their judgment may be necessary for cleansing and purifying any building or premises, and to cause to be done, in relation thereto, everything which, in their opinion, may be proper to preserve the health of the city.

Fourth—To prevent the spreading of contagious disease, by forbidding all communication with a house, vessel, or person infected with such a disease, except such as they may deem necessary for any purpose ; and by causing to be removed to a place provided therefor, any indigent person who shall be homeless, and infected with such a disease ; and by doing, and causing to be done, any other act that they may deem necessary to effect such object.

Fifth—To provide (with the consent of the Council) a suitable hospital building, and furnish the same with such physicians, nurses, attendants, and supplies as they may deem necessary or advisable.

Sixth—To abate in a summary manner any nuisance which they may deem prejudicial to the health of the community; and in any case of apparent emergency, when prompt sanitary measures may be deemed necessary by said Board, and the orders of said Board appear to be disregarded, then said Board shall have power to enforce said orders by calling into requisition the aid of the police of the city.

—* To district the city for purposes of vaccination and general health, and assign to each district a physician, whose duty it shall be to immediately visit every house and residence in his district, and to vaccinate every person who cannot show satisfactory evidence of recent successful vaccination, and to visit every school in his district, and by a careful examination of every pupil in such school, to learn if each and every one of such pupils have been recently vaccinated; and if it be found that any such pupil has not been vaccinated, to immediately vaccinate such pupil. Every adult person who shall fail to produce the evidence above required of vaccination, and shall refuse to be immediately vaccinated ; and every parent or guardian who shall prevent or obstruct the examination and vaccination of any pupil or child, as heretofore required, shall be deemed guilty of misdemeanor, and upon conviction, shall be fined not less than ten or more than one hundred dollars, or be imprisoned one day for every two dollars of such fine.—[Ordinance, December 24, 1868, Sec. 1.]

SEC. 3. The expense incurred in carrying out the provisions of section two of this ordinance, shall be paid by the persons and property removed, or by the property subjected to sanitary regulations in other respects, or by the city, as in the judgment of the Board of Health may in each case be deemed just.

SEC. 4. It shall be the duty of each physician in this city to report to the Board of Health, in writing, every patient he shall have laboring under the small-pox, or any other contagious or infectious disease or epi-
