

demic, within twelve hours after he shall be satisfied of the nature of the disease, and to report to the same Board every case of death from such disease as soon as possible, in no case to exceed twenty-four hours after the occurrence of death.

— It shall be the duty of every district physician to watch the general health and cleanliness of his district, and to report the same, weekly, to the Board of Health.—[*Ordinance*, December 24, 1868, Sec. 1.]

— It shall be the duty of every attending physician, while attending upon any sick person suffering from any injury, complaint, or disease, to ascertain, if possible, their age, when and where born, previous residence, whether single or married, occupation, and cause of death; to report the same immediately to the Health Officer of the City of Oakland, with time of death and cause of death, which report shall be signed by such attending physician.—[*Ordinance*, December 24, 1868, Sec. 2.]

SEC. 5. It shall be the duty of every person who is a house-keeper, keeper of a boarding-house or lodging house of this city, to report to the Board of Health, immediately after the discovery of the presence of any eruptive disease, the name of every person living, boarding, or lodging at his or her house, whom he or she shall have reason to believe to be sick with such disease; and every master, or owner, or consignee of a vessel lying at a wharf, or in any creek, or anywhere in the harbor, within the city, shall make a like report, and within the time specified.

SEC. 6. It shall be optional with any house-keeper, keeper of a boarding-house, or lodging-house, to retain within his or her premises any persons having the small-pox, duly providing them with a physician, nurses, and supplies: *provided*, that in that case said house-keeper, keeper of a boarding-house, or lodging-house, shall, immediately after the knowledge of the presence of the disease, place, or cause to be placed, in a conspicuous place in front of the building containing such patient, a yellow flag, not less than eighteen inches long and twelve inches wide, and fully spread open to public view.

SEC. 7. No person shall knowingly transport or convey, or cause to be transported or conveyed, within the limits of this city in any hack, carriage, railroad car, or steamboat, or other vehicle or public conveyance, any person afflicted with small-pox, or the body of any person who may have died of small-pox, except by written permission from the Health Officer.—[*Amendment*, May 30, 1870.]

— Every person who shall rent any house, or building, or land, knowing that the same is to be used and occupied by any person or persons affected with any contagious disease, or any person affected with a contagious disease, to come into and remain in any house occupied or controlled by him or her, except such person be a member of the family, shall be deemed guilty of a misdemeanor, and upon conviction shall be fined not less than fifty nor more than one hundred dollars, or be imprisoned one day for every two dollars of such fine. Every day such person so affected is allowed to remain in any such house or building, or land, shall be deemed a new offense. And it shall be the duty of every officer of this municipal government to immediately report to the City Attorney every violation of this ordinance that comes to his knowledge, and every violation of "An ordinance concerning the Public Health," approved July 31, 1868; and it shall be the duty of the City Attorney to immediately prosecute every such violation. The same fees shall be allowed for vaccination as provided in section ten of said ordinance.—[*Ordinance*, December 24, 1868, Sec. 3.]

— Every sexton, undertaker, superintendent of a cemetery or burial place or ground, or other persons who shall inter or cause to be interred any human body, or who shall remove or cause to be removed from the City of Oakland any human body, without first having obtained a permit,
