L. L. PAULSON'S DIRECTORY

# SMITHSONIAN MEDICAL & PHRENO-PHYSIOLOGICAL INSTITUTE,

Nos. 635 & 637 California Street, San Francisco,

Directly opposite St. Mary's Cathedral, between Kearny and Dupont.

## Application of the Newly-Invented Adjustable HORSE-SHOE MAGNET.

important changes in the consulting rooms and surgical department, and added so extensive to the Medical Dispensary, as to meet most fully the scientific and skillful treatment of every form of acute or chronic sexual disease peculiar to either male or female; and here adds that when the medical or surgical means that it is necessary to employ in the treatment of all forms of venereal diseases are supported by water dressings, steam, hot air, and electro-thermal baths, and a proper dietary, the complications, virulence and secondary results, so common when the dry drug practice alone is employed, are almost entirely dissipated, and besides not more than two-thirds the time is required for an hundred fold more perfect cure than can be performed by exclusive drug medication—a fact that no intelligent practitioner dare, in any public place or manner, attempt to refute.

Consultations in regard to health, FREE; verbal or by letter. Send for circular.

BARLOW J. SMITH, M. D.

## PHRENOLOGY, MENTAL AND PHYSICAL HYGIENE.
