

California Wire Works Co.,

ESTABLISHED 1852.

6 CALIFORNIA STREET, SAN FRANCISCO.

MANUFACTURERS OF

Brass, Copper and Steel Wire Screens,

HEAVY IRON WIRE CLOTH for Mining Purposes.
Painted Shade Cloth.

Ore, Coal and Sand Screens,
Riddles and Seives of all kinds & sizes,
Plain and Ornamental Wire Work Fencing, Etc.

Weather Strips.

No wind, dust or rain can penetrate where these are applied.

A. S. HALLIDIE,

IMPORTER, DEALER AND MANUFACTURER OF

Iron and Steel Wire Rope

FOR MINING AND HOISTING PURPOSES.

BARBED WIRE FENCE AND WIRE OF ALL KINDS.

ESTABLISHED 1857.

Office and Depot, 6 California Street, San Francisco.

SOLE PROPRIETOR OF THE

PATENT ENDLESS ROPEWAY

(Wire Tramway) for transporting Ores, etc., over mountainous places.

NOTE.—**STEEL WIRE ROPE** weighs about six-tenths of Iron Rope, or one-third of Hemp of equal strength. Its extreme lightness saves largely in freight to remote places, and its great durability recommends it for hoisting purposes, etc. **All Lines of Street Cars Pass the Door.**
