OFFICE

OAKLAND GAS, LIGHT AND HEAT CO.

N. W. COR. THIRTEENTH AND CLAY STS.

OAKLAND, CAL., December 1st, 1896.

TO THE PUBLIC:

We want to interest you in the matter of Gas Stoves. We can sell you a stove which will do all your cooking, for a less sum than you can buy either a wood or a coal stove, and the price of gas will make it cost you less per month than any other fuel you can buy.

You must have heard of the stoves from your neighbors for more than 1000 are in use in this territory.

They boil, roast, broil and fry. They don't heat the kitchen. They are clean.

If you use 1000 feet a month you get gas at \$1.75 per thousand. We sell a stove for \$12.00 placed in your house, and you are instructed in its care and management. It don't cost you anything for all time to keep it in repair and condition, as we do that for you free of expense.

We have stoves with waterback attachments, and a variety of patterns of stoves ranging in price from \$12.00 upwards.

We trust that you will find time to call and investigate the conveniences and advantages attending the use of gas for fuel. Heating stoves of all kinds from \$1.50 upward.

Yours very respectfully,

JOHN A. BRITTON, Secretary.
