## 6 Weeks' Treatment Saves Operation

Completely Restores Sufferer of Appendicitis for 3 Years

Oakland, Cal., May 3, 1923.

TO WHOM IT MAY CONCERN—

I was troubled with appendicitis for about three years, until my stomach had collected so much poison, it was impossible to retain anything that I ate. Immediately after eating a meal I would vomit it. My side hurt me so badly at times I could hardly endure it, finally culminating in a complete breakdown, forcing me to bed.

I was advised by two surgeons that I would have to be operated on. One of whom advised me that I would never get out of bed until I was and that if I should delay it would mean death.

Having often heard and read of the Foo Wing Herbs, I tried them as a last resort.

After two weeks' treatment I was not only out of bed but back to my work, and now after six weeks I feel like a new man—better than I have for years.
