

The Concordia Club

This Club, which is the most prominent Jewish social organization in the city, was organized in October, 1878, and includes the best Jewish citizens of Portland among its membership. It is constantly adding to its list of members and is in a most flourishing condition; a project is now on foot to erect their own building. The present club-rooms, however, are handsomely fitted up and conveniently located in the Mulkey Block, corner Second and Morrison streets.
