

CALIFORNIA NURSERY COMPANY

INCORPORATED 1884

THE assortment in both the fruit and ornamental departments of our establishment having become so extensive, we have found it necessary to divide our Descriptive Catalogue into two parts, (in separate publications,) the first to include Fruit Trees, Small Fruits, Grapes, etc., and the second, Ornamental Nursery Stock only. They will be designated as Nos. 1 and 2 respectively in our list of Catalogues, and will be issued only from time to time, as circumstances may require. A price list, known as No. 3, which merely gives prices and sizes on the contents of Nos. 1 and 2, will be published annually. All may be had free on application.

We shall include in either only such articles as we have actually growing on our grounds, (being the only firm on the coast that really grows, themselves, all they offer), and have aimed to confine ourselves to cultivating only such varieties in both departments as, with proper care, will give entire satisfaction to our customers.

A cordial invitation is extended to all to visit our grounds, where the stock may be seen in the different stages of cultivation.

Our Nursery can be reached from San Francisco by boats leaving Market Street Wharf, and connecting with trains for Niles, at 8:30 and 12:00 A.M., and 4:30 and 6:00 P.M. From Sacramento and all points north and south, by train leaving Sacramento at 10:40 A.M. From San Jose and its southern connections, by trains leaving there at 5:45, 6:35, 9:20 A.M., and 1:15, 5:00 and 5:35 P.M.

Yours very truly,
