

SAN FRANCISCO

Street and Avenue Guide.

TO THE RESIDENCE PORTION OF THE CITY OF SAN FRANCISCO.

EXPLANATORY.—On any street the relative location of any house in the residence portion of San Francisco is found by running down the column of figures, which are the numbers at the crossing of streets that intersect it. For example, to find 1820 Pine street, it will be seen that it is between Gough and Octavia, and on right hand side (all even numbers being on right hand side, commencing from Market street). Again, 1719 Jones is eighteen blocks from Market, between Broadway and Vallejo; it being an odd number, is on left side of street.

NOTE.—Each block is allowed 100 numbers. The cross streets which have no bearing on numbers have been omitted. The *even* numbers *only* are shown, the *odd* numbers being on opposite side of the street.
