"YUSEA" Welsbach MANTLE

The name WELSBACH on every mantle. The box is always sealed.

Don't continually make the same mistake. Next time you buy a mantle, buy the Welsbach Mantle. Take no substitute, don't be fooled. Three grades, three prices. The very best is the "Yusea" Welsbach Mantle—double strength and 100 candle-power. No. 1 mantle and No. 2 mantle.
