

Sunset Magazine

☞ Shows all sides of California and the West---Scenic, Industrial, Social and Literary. ☞ Jack London, Joaquin Miller and other famous authors write for it, while its artists are some of the best in the West

☞ It is always finely illustrated with drawings and beautiful half-tones, and each number contains clever western stories

☞ Read SUNSET and send it to your eastern friends.

☞ For sale by all newsdealers: Ten Cents a Copy, One Dollar a Year
