COR. 2d AND SPRING STREETS, LOS ANGELES, CAL.

HOLLENBECK HOTEL CO., Proprietors

A. C. BILICKE, Pres.

JNO. S. MITCHELL, Vice-Pres.

Hollenbeck Hotel is a finely equipped house located at Spring and Second Sts., and is a most desirable stopping place for persons visiting the city on business or pleasure. Within two blocks are located the principal theatres, large retail stores and nearly all the banks.

An Excellent Cafe, wherein the cuisine is remarkably good and prices very liberal, is connected with the house. All in all, the Hollenbeck is as complete and comfortable a Hotel as there is in the West, and one in which courtesy and attention to guests have been the most marked features.

The Hollenbeck Hotel is the model Hotel of Southern California. Under its present liberal management it has been remodeled and refitted throughout. The Hotel is conducted on both the American and European plans.
