for all street running therefrom in a westerly or southwesterly running front in it in a northerly direction, and the water front Market Street is the starting point for numbers on all streets. According to the method adopted for numbering buildings, direction.

On all streets between water front and Presidio Ave. the even numbers are on the right-hand side and odd numbers on the left-hand side. Beyond Presidio Ave. most of the streets have been numbered in a contrary manner. One hundred numbers are allotted to each block bounded by main streets.

In the streets numbered with a dash (—), it is indicates that the cross street does not extend to that side; (o) the street borders on the bay, or public park, cemetery, etc., consequently there are no buildings on blocks thus designated; (c) the street is not opened through the block; (e) end of street.
