

New Club House, California and Mason Streets.

The Pacific-Union Club is a consolidation of the Pacific and Union Clubs—two social organizations that existed in San Francisco, the Pacific since the year 1852 and the Union since 1854. These two clubs were consolidated in February, 1889, under the name of The Pacific-Union Club. It is one of the noted and exclusive clubs of San Francisco, elegant in its appointments, luxurious in its accommodations; and is provided with an excellent library, as well as all current literature of unexceptional features.
