SYLMAR OLIVE OIL AND RIPE OLIVES

DIRECT FROM THE RANCH IN CALIFORNIA

Sylmar Olive Oil was awarded the Grand Prize (highest award) at the St. Louis World's Fair in competition with all other olive oils.

We produce Sylmar Olive Oil under the most favorable conditions from the finest ripe olives grown in California. We own the largest olive ranch in the world and the most improved mill. We pick, press and bottle our own product. In a word we produce the highest quality of olive oil in the world.

Sylmar Olive Oil retains all the rich fruity flavor of ripe, California olives, and is most palatable. Sylmar will keep longer than any other olive oil without turning rancid. Sylmar can be purchased with the con-

fidence that every bottle will stand the most rigid chemical analysis and be proven free from adulteration.

Our Ripe Olives are packed either in glass or sanitary tin cans.

Ask your dealer for Sylmar Olive Oil. If he cannot supply you send to our address Post Office or Express Money Order for three dollars for three of the large size bottles, and we will deliver them to you express prepaid.

We publish a booklet containing physicians' directions for medicinal uses of olive oil, description of our process and other valuable information. We will mail this booklet and sample bottle of Sylmar Olive Oil for 10c in postage stamps.
