

Wednesday Morning Club

The Wednesday Morning Club, organized in 1898, ranks as one of the strong, progressive organizations of Los Angeles. Devoted primarily to study and general culture, it is always found doing its share in any civic work which deserves its support. It meets each Wednesday at the new club house, North Sichel and Ave. 28, for all-day meetings. The first Wednesday morning of each month is devoted to business. The Social Committee serves luncheon each club day at noon, whereby the general sociability of the club is greatly enhanced. The remaining Wednesdays are allotted to study classes and general programs. Member of State and General Federation.
