tain on their statute books laws against poisoning, maiming and bleeding CATTLE? Are the members of the human family less worthy of protection than animals? I assert in the face of this entire State and the world at large, that there never was, is not now, and never will be, a case in which calomel, crude mercury, quinine, arsenic, lead, zinc, iron, antimony, iodine, or any other POISON, should have been, or be, administered to the human system, or in which bleeding, capping, or leeching, was required; and further, that hundreds of thousands fill premature graves through an ill-timed or overdose of salts or oil. Let the people ponder on these things, and if the poor deluded victims of medical rascality, desire health, I pledge the honor of one man at least, that I will so employ NATURE'S AGENCIES of Good Food, Air, Pure Water, Exercise, Clothing, the Electro-Chemical Baths, and the Sleeping and Waking Hours, that without a particle of NASTY and POISONOUS medicine, I will so arouse the powers of their systems, that if there be any strength left, they shall speedily get perfectly well in body, with minds so expanded to the perception of natural philosophy, as thereafter to cause them to set their faces against all professional rogues or fools, and awake them to a knowledge of the evils of entrusting their own vital interest to the keeping of others whose interest must ever be antagonistic to their own.

*Address, by letter or personally, DR. BOURNE, Water Cure Physician, Sansome St., opposite St. Nicholas Hotel, San Francisco,*

Importer into this State of the FIRST and ONLY apparatus for giving those delightful and beneficial Electro-Chemical Baths, and whose experience in their use warrants him in speaking of them in the terms which he employs. They require great caution in administering them, and Dr. Bourne never entrusts that duty to others, thus avoiding all danger.

So many lying and forged certificates, and PRETENDED editorial recommendations are published, that those truthful statements of facts which Dr. Bourne could offer are withheld, rather than any should suppose they were merely "got up."

Consultations without charge, and charges very moderate for the benefits conferred.

*Quick Cure, Sure Cure, if curable, is the motto of Dr. Bourne.*

### PARTICULAR NOTICE.

The "Russian," Digger Indian! Turkish, or Egyptian "Steam Baths," the invention of barbaric minds—with all their EVIL CONSEQUENCES to Weak Lungs, Palpitating Hearts, and debilitated Digestive and Nutritive Organs, are NOT Water Cure, and bear no more relation to that glorious system than does a horse to a red herring, notwithstanding all the false representations to that effect. Dr. BOURNE is the Pioneer and only Water Cure Physician on the Pacific Coast, and is daily demonstrating his skill in his art with the highest success—curing those whom the medical fraternity had placed almost beyond the confines of hope; such being the general character of the cases demanding and receiving relief at his hands.
