SCHEDULE II.—Rates of Storage on Merchandise.

Measurement goods, per month, \$1 00 per ton of forty cubic feet; heavy ditto, \$1 00 per ton of 2,000 lbs.; or, in either case, the amount actually paid. The consignee to have the option of charging by weight or measurement. A fraction of a month to be charged as a month.

REGULATIONS—Concerning delivery of Merchandise, payment of Freight, etc.

When no express stipulation exists per bill of lading, goods are to be considered as deliverable on shore.

Freight on all goods to be paid, or secured to the satisfaction of the captain or consignee of the vessel, prior to the delivery of goods.

After the delivery to the purchaser of merchandise sold, no claims for damage, deficiency or other cause, shall be admissible, unless made within three days, and no such claims shall be admissible after goods sold and delivered have once left the city.

When foreign bills of lading do not expressly stipulate the payment of freight in a specific coin, foreign currency shall be reckoned according to the United States value thereof, and payment may be made in any legal tender of the United States.

Where foreign bills of lading expressly stipulate that the freight shall be paid in a specific coin, then the same must be procured, if required, or its equivalent given—the rate to be determined by the current value at the time in San Francisco.

For tare on China sugar 4 lbs. is to be allowed for each mat containing 4 pockets of about 25 lbs. each.
All other rates of tare are to be allowed as by custom in New York, except when otherwise provided.
