

THE SINGER SEWING MACHINES

The Singer Standard or Manufacturing Sewing Machines, FOR GENERAL MANUFACTURING PURPOSES,

Are universally and justly acknowledged unrivaled, and are used in all the great manufacturing establishments of the United States and Europe, to the almost total exclusion of all other machines. The correct and superior Mechanical principles of these machines, is the secret of their being beyond competition.

Our Letter A, Transverse Shuttle, FAMILY SEWING MACHINE, Is fast gaining a world-wide reputation.

It is, beyond doubt, the best and cheapest of all Family Sewing Machines yet offered to the public. No other Family Sewing Machine has so many useful appliances for Hemming, Binding, Felling, Tucking, Gathering, Gauging, Braiding, Embroidering, Cording, and so forth. No other Family Sewing Machine has so much capacity for a great variety of work. It will sew all kinds of cloth, and with all kinds of thread. Great and recent improvements make our Family Sewing Machine most reliable, and most durable, and most certain in action at all rates of speed. It makes the interlocked stitch, which is the best stitch known. Any one, even of the most ordinary capacity, can see at a glance how to use the Letter A Family Sewing Machine. Our Family Sewing Machines are finished in chaste and exquisite style. The Folding Case of the Family Machine is a piece of cunning workmanship of the most useful kind. It protects the machine when not in use, and when about to be operated may be opened as a spacious and substantial table to sustain the work. It is absolutely necessary to see the Family Machine in operation, so as to judge of its great capacity and beauty. It is fast becoming as popular for family sewing as our Manufacturing machines are for manufacturing purposes.

☞ We have made a very great Reduction in the prices of our Machines lately. Send for Pamphlet, Price List, etc.
