

Messrs. W. ELDER & SON, General Commission and Produce Merchants, at 319 Washington street, offer the most favorable inducements to those interested either in the buying or selling of all kinds of produce, including Butter, Cheese, Eggs, &c., as enumerated in their card. They are in daily receipt from many of the leading and best Dairies in the State, of a choice article of Fresh Butter, which they put up in packages adapted to either the mines or for export.

Parties ordering from them can rely on their promptness in filling orders, and on their representation of the article desired, so that those residing in the interior can transact business with them by mail as safely and as well as they could in person.

Their facilities in business and acquaintance with the market are such as to enable them to give satisfaction to all who may wish either to enlist their services or favor them with their patronage.

The COFFEE MILLS Establishment of Mr. CHARLES BERNARD was established July 1st, 1856. His facilities are such as to enable him to do both a wholesale and retail business, and supply ROAST and GROUND COFFEE in any quantity to suit. His CHARTRES COFFEE has gained a reputation excelled by none in the market, and those desiring a superior article of Coffee, of excellent flavor, will do well to give him a trial. Families especially will find it both to their interest and convenience to leave their orders with Mr. Bernard, who will supply them with the article ready for use, much cheaper and with less trouble than parties themselves can roast and grind their Coffee in the ordinary way. DEALERS in the city and country will do well to call and see his facilities for supplying the TRADE. His prices will correspond to the lowest market rates.
