

Mr. R. F. Rocchiccioli began his business of *Engraving, Silver Plating, Brass Finishing, &c.*, in this city, in the year 1858. Mr. Rocchiccioli has the very best facilities for conducting the various departments of his establishment, which, together with his extensive knowledge of everything pertaining to his particular line of business, enables him to do all work entrusted to his care in a superior manner, and warrants satisfaction in every instance. Mr. Rocchiccioli has in operation Galvanic Batteries, for the purpose of moulding figures, useful or ornamental, such as Engravings, Basso-relievos, &c.; also metalizes every kind of Plastic Objects, whether of Plaster, Wax, or other composition; and performs any other kind of work on articles of Art or Fancy, either on a small or extensive scale, including Decorative Plaster Ornaments, Center Pieces, Moulds for Casting, Cast Figures, Flowers, &c. All orders left with him will be promptly executed.
