

In calling attention to the advertisement of Messrs. LAWRENCE & HOUSEWORTH, we would state that their stock of goods is BY FAR THE FINEST and most extensive of any on the Pacific Coast. Having a HOUSE IN NEW YORK, and connections in LONDON and PARIS, they are enabled to import all their goods DIRECT from the manufacturers.

Among their SPECIALITIES are the BRAZILIAN PEBBLE SPECTACLES, which are far superior to glasses, in as much as they are susceptible of a HIGHER POLISH they transmit more rays of light ; nothing being more transparent, and being made of ROCK CRYSTAL they are much COOLER TO THE EYES, and they DO NOT SCRATCH. No one who has worn them would ever wear anything else.

Their DOUBLE FOCUS GLASSES is another novelty for FAR and NEAR VIEW, enabling the wearer to READ and SEE AT A DISTANCE with one pair of spectacles. The proprietors have had an experience of twenty years in the optical branch of their business, and feel confident they can do all that can be done for the preservation and improvement of sight. They have been established in San Francisco since the year 1851.

The splendid assortment of Stereoscopic Views of all parts of the world for sale at this house is not surpassed in extent and variety by any assortment in America ; additions to which are received by every steamer. They are also publishing Stereoscopic Views of San Francisco and the most noted places on the Pacific Coast, including views of the mining regions. Their Stereoscopes too are beautiful, and so INSTRUCTIVE that no home should be without one.

The Cutlery sold at this house is from the celebrated establishment of Joseph Rodgers & Sons, Sheffield, England, whose fame as manufacturers excels that of any other in the world, and comprises over three hundred different styles of Pocket Knives, every variety of Scissors, Razors, Razor Strops, and Table Cutlery, all of which are manufactured *expressly* for Lawrence & Houseworth and those wishing to see really fine goods cannot do better than to visit this establishment.
