

We can confidently recommend the firm of A. ROMAN & Co. to the favorable notice of the *Book Trade*, and the public in general. They established themselves in business some five years since on the principle of "Quick Sales and Small Profits." A visit to their extensive and well-kept establishment on Montgomery street will amply satisfy any one of their success and business qualifications. They give their attention exclusively to Books, and being the largest MISCELLANEOUS BOOK BUYERS in this country, their relations with the Eastern and European publishers are far superior to that of any other house on this coast, thus enabling them to supply Books in larger quantities and at cheaper rates than other importers can furnish them.

*The Trade* are supplied on very liberal terms, and special inducements are offered to *Libraries*.

*The Medical Profession* will find by far the best selected and largest assortment of Medical Works on their shelves ever offered in this market. Large invoices recently added make their stock equal to any on this continent.

JUVENILE BOOKS is another branch of their business to which they pay particular attention. The increased demand for books in this department has warranted them in adding an immense quantity and variety to their already large stock, embracing books suitable for children of all ages and denominations. *Sunday School* and other *Libraries* supplied on liberal terms To meet the growing appreciative taste for works in choice binding, they have added to their stock an excellent assortment of STANDARD BOOKS, nicely bound in half-morocco, half-calf, &c. They have always on hand a full stock of SCHOOL BOOKS, comprising every class book in use on this side of the Rocky Mountains, which they are now selling at greatly reduced prices. TEACHERS and others interested in educational matters are always welcome to call and examine their text books. CLERGYMEN can enlarge their libraries at very low prices from their stock of THEOLOGICAL and RELIGIOUS BOOKS, which includes the publications of all the different Societies, and every work of note on religious subjects.
