

GEO. B. HITCHCOCK & Co. having been engaged in business in this City since 1849, have acquired a knowledge of the wants of this market not excelled by any other House in the Trade.

In addition to a complete assortment of all goods kept by a Stationery House, they, through the facilities afforded by valuable connection with leading Houses in Europe and the States, are importing specially ARNOLD'S CELEBRATED INK, WHITMAN'S DRAWING AND WRITING PAPER, RODGERS' AND WOSTENHOLM'S CUTLERY, and ENGLISH AND AMERICAN TWINES, all of which they are able to sell at the lowest rates.

Mr. Geo. B. Hitchcock was formerly of the well known firm of Marvin & Hitchcock, and his long experience in business, together with the advantages afforded their House by dealing with the manufacturers direct, enables them to warrant all goods sold by them. Dealers are invited to an inspection of their stock.

---

We would call particular attention to the card opposite, of MESSRS. J. ISAAC & Co., as presenting especial considerations to those in want of a superior quality of goods in their line. Among their specialities we would call attention to their large assortment of all kinds of Liquor Labels; also to their Playing Cards, of genuine Barcelona and Cadiz manufacture; a large assortment of Stationery and Mercantile Blank Books, together with all kinds of Writing, Wrapping, and Foolscap Paper; also American and French Cards; Warren & Hyde's celebrated Gold Pens; Envelopes, &c., forming altogether a complete and elegant assortment of staple goods.

Messrs. Isaac & Co. make their importations direct from the manufacturers, and consequently are prepared to offer rare inducements to the public, and dealers generally in want of a superior article in the above line.

All orders for goods, whether verbal or written, will be attended to promptly, and the same forwarded with dispatch to any part of the Pacific States or Territories.
