## WRITING INK.

Testimony of Parties who have used it for more than a Quarter of a Century.

REGISTRY OF DEEDS OFFICE, Boston, Jan. 10, 1859.

Messrs. MAYNARD & NOYES: Gentlemen,—I am glad that longer use of your Writing Ink enables me to repeat the testimony given in its favor many years ago. I have used it in this office thirty-seven years, and my oldest records are as legible and black as when first written. This rare quality for permanence renders it invaluable for State and County Records, and all mercantile purposes where it is important that the writing should remain legible and unchanged in color by the lapse of time.

HENRY ALLINE, *Register of Deeds.*

BOWDOIN PUBLIC SCHOOLS, Boston, Jan. 7, 1857.

Messrs. MAYNARD & NOYES: Gentlemen,—I have used your Ink in the Writing Department of this School the past thirty years, and take great pleasure in renewing my testimonial of its superior quality. It flows freely from the pen, its color is brilliant and permanent, and it combines all the necessary and desirable qualities of good Ink.

JAMES ROBINSON, *Writing Master.*

The following extract of a letter from a well-known and long-established bookseller in Dover, N. H., is like many others often received, and will be found to express the opinion and correspond with the experience of a large number in the business:—

After trying various kinds of Ink, most of my customers come back to yours. I am tired of the miserable compounds offered every little while pretending to be superior to all other Inks, and will have nothing further to do with them. I have used your Ink on my books over twenty-six years, and my customers can see how it stands against time. Entries made in 1832 are as fresh as those made during this year.

E. J. LANE.

DOVER, N. H., October 16, 1858.
