Gives emphasis to their solvency.

The **PHOENIX OF HARTFORD**, organized under a perpetual charter, is one of the leading, progressive and most popular institutions of the age—prompt, reliable, careful—and devoting its capital and energies to the business of Fire Underwriting exclusively; offers superior inducements to those who desire reliable indemnity against loss or damage by fire.

The **HOME OF NEW YORK** is one of the wealthiest and most prominent insurance companies in the Union, and the leader in the great metropolis, and by honorable transactions and strict attention to the wants of the insuring public, has gained a reputation and business unsurpassed in the annals of Fire Underwriting.

BRANCH OFFICE

For the Pacific States and Territories of the

424 CALIFORNIA STREET,

SAN FRANCISCO.

Losses promptly adjusted and paid in U. S. Gold Coin, by our special adjusters at all points where they occur, without unnecessary delay, trouble, or expense to the claimant.

Resident Agents at all prominent places are authorized to bind the companies by the immediate issue of policies and renewals, thereby doing away with the trouble, annoyance and doubt of responsibility of the sub agency system, under which the so-called agents have to forward applications to San Francisco or elsewhere for policies to issue or the risks to be declined.

Agents appointed, losses adjusted and paid, correspondence promptly attended to, supplies furnished agents, and the business of these two sterling companies in the Pacific States and Territories under the immediate and sole supervision and control of

R. H. MAGILL, MANAGER.

DORNIN & GREENHOOD, City Agents.
