ESTABLISHED 1854.

Cream Ale—XXX Ale—Porter

We avail ourselves of this opportunity of thanking our numerous customers in all parts of the Pacific States and Territories for the very liberal patronage extended to us. Having more than doubled our capacity for the manufacture of ALE and PORTER, by the purchase and enlargement of additional extensive premises, and by the introduction of improved machinery, we, with every confidence, solicit a continuance of the support hitherto afforded us, assuring our friends and the public that their orders will always receive prompt and courteous attention. Our XXX Ale and Porter we guarantee to keep in any part of the world equally as well as the imported English, the price being about one-half.
