[This is the oldest firm in the city; first established in the Spring of 1850, under the style of "Forshee, Booth & Co.," composed of John Forshee, L. A. Booth, and Job Dye. The two latter gentlemen retired in the Spring of 1851. About the same period Charles Smith and Newton Booth established business under the name of Smith & Booth. After the fire of 1852, L. A. Booth became a member of the firm, which was then known as Booth & Co. Kleinhans & Co. established in 1852; Theodore P. and D. Kleinhans, partners. The latter firm united with the house of Booth & Co. in 1856; L. A. Booth, C. T. Wheeler, T. L. Barker and the Kleinhans constituting the firm. The Kleinhans retired in 1860, and Newton Booth again entered the firm. L. A. Booth and T. L. Barker retired from the firm in 1862, and J. T. Glover became a member. This firm still continues, and that, too, with all the surroundings of prosperity. Its business relations extend not only through the northern and southern counties of the State, but also through the entire State of Nevada.]
