FROM DR. BUMSTEAD, PROFESSOR IN COLLEGE OF
PHYSICIANS AND SURGEONS, NEW YORK.

"I have derived GREAT BENEFIT to my own health from the daily practice of BUTLER'S LIFTING EXERCISE, and have seen its good effects on others. Compared with other modes of exercise, it has a great advantage, one that will be appreciated by every Professional and Business Man—the short time it requires. It is the UNANIMOUS TESTIMONY of those who practice it, that its effect is EXHILARATING and NEVER EXHAUSTING."
