commodated on reasonable terms.

There is not one man in twenty suffering from Rheumatism, Dyspepsia, Drug, or Secondary Diseases, Spermatorrhos or Seminal Weakness, that cannot be permanently cured by one month's Water Cure and Hygienic treatment, for one-half it would cost to take drugs.

Where there is a fair constitution left, we never fail to cure the following diseases:—Chronic, Inflammatory and Mercurial Rheumatism; Paralysis; Lung, Bronchial and Catarrhal Affectious; Diseases of the Heart, Kidneys, Liver, Dyspepsia, Constipation, Erysipelas, Scrofula, Pites, Inflammation of the Bowcla, chronic and acute: Diarrhoca, and all diseases and weaknesses peculiar to males and females.

We have a separate Medical Department for Ladies, which is attended by a thoroughly competent woman, while the private residence of Dr. Smith, which is connected with the Home, is chiefly devoted to the accommodation of Ladies desiring Medical Hygienic treatment.

LEVIALIES and all pressors who are in any way out of health, who desire to learn the nature and cause of

modation of Ladies desiring Medical Hygienic treatment.

INVALIDS, and all persons who are in any way out of health, who desire to learn the nature and cause of their disease, are invited to come and avail themselves of an examination through Phrenology in regard to their health, FREE OF CHARGE, between the hours of 10 and 4, during week days.

DR. SMTPH claims to have made discoveries in the Science of Phrenology, that enable him, by an examination of the head, either blinded or otherwise, to determine the diseases to which the person is constitutionally subject, or whether the disease at the time smilicting the person is the result of an accident, or of hereditary weakness, which there consumptive, dyspeptic, rehumatic, apopletic, neuralgic or seminal. Especially does the form of the head indicate the strength of the uterine and reproductive system.

The head is also an index of the natural strength of the lungs, heart, stomach, liver, kidneys, spleen, back or vertebre, and it determines the power of the system in warding off and overcoming diseases of all kinds.

DR. SMITH gives a free Lecture on Phrenology and Physiology, (to gentlemen) every Friday Evening, at 71/2 o'clock.
