

# PROTECT YOUR BUILDINGS

Which may be done with one-fourth the usual expense, by using our

## PATENT SLATE PAINT.

Mixed ready for Use.

FIRE-PROOF, WATER-PROOF, DURABLE, ECONOMICAL, AND ORNAMENTAL.

A roof may be covered with a very cheap shingle, and by application of this slate be made to last from 20 to 25 years. Old roofs can be patched and coated, looking much better, and lasting longer than new shingles without slate, for

**One-third the cost of Reshingling.**

The expense of slating new shingles is only about the cost of simply laying them. The paint is FIRE-PROOF against sparks or flying embers, as may be easily tested by any one.

**IT STOPS EVERY LEAK,**

and for tin or iron has no equal, as it expands by heat, contracts by cold, and NEVER CRACKS nor scales. Roofs covered with Tar Sheathing Felt can be made watertight at a small expense, and preserved for many years.

This Slate Paint is

**EXTREMELY CHEAP.**

Two gallons will cover a hundred square feet of shingle roof, while on tin, iron, felt, matched boards, or any smooth surface, from two quarts to one gallon are required to 100 square feet of surface, and although the Paint has a heavy body, it is easily applied with a brush.

**No Tar is used in this Composition,** therefore it neither cracks in Winter nor runs in Summer.

On decayed shingles it fills up the holes and pores, and gives a new substantial roof that will last for years. CURLED or WARPED shingles it brings to their places, and keeps them there. It fills up all holes in Felt roofs, stops the leaks—and although a slow dryer, rain does not affect it a few hours after applying. As nearly all paints that are black contain TAR, be sure you obtain our GENUINE article, which (for shingle roofs) is

**CHOCOLATE COLOR,**

when first applied, changing in about a month to a uni-

form slate color, and is to all intents and purpose SLATE. On

**TIN ROOFS**

our red color is usually preferred, as one coat is equal to five of any ordinary paint. For

**BRICK WALLS**

our BRIGHT RED is the only reliable Slate Paint ever introduced that will effectually prevent dampness from penetrating and discoloring the plaster.

These paints are also largely used on out-houses and fences, or as a priming coat on fine buildings.

Our only colors are CHOCOLATE, RED, BRIGHT RED and ORANGE.

### NEW YORK CASH PRICE LIST.

5 Gallons, can and box .....	\$5
10 " keg .....	9
