

and basement, and covering a large portion of the block. This is conducted by the "Christian Brothers," under the direction of Brother Genebern. The number of students is 700. The object of this institution is to give a thoroughly Christian and secular education, embracing the classical, scientific and commercial courses.

SACRED HEART PRESENTATION CONVENT.—The Sacred Heart Presentation Convent is a fine brick building of ample proportions, located at the corner of Taylor and Ellis streets. This is a chartered college by act of the Legislature and empowered to confer graduating certificates. The school is free of charge to all denominations. It was opened on the 24th of May, 1869, and the number of pupils increasing, made it necessary to enlarge the building, and in 1870 the portion fronting on Ellis street was added. Later on a wing within the enclosure was built, to afford more ample facilities for the improvement of pupils in music, needlework, painting, drawing, etc. The institution contains 600 pupils, and is under the charge of Mother Mary DeSales.

ST. IGNATIUS COLLEGE.—The St. Ignatius College located on the west side of Van Ness avenue, and extending from Hayes to Grove streets, ranks among the oldest and most prominent of the colleges of San Francisco, opening for the reception of students on October 15, 1855. It was incorporated under the law of the State April 30, 1859, and empowered to confer degrees and academical honors. The number of students usually in attendance is upwards of 600, with a staff of 27 professors and teachers. The college edifice consists of two main buildings, connected by spacious corridors. On the corner of Grove and Van Ness avenue, the first two stories are used for class and lecture-rooms, and the two upper floors as an exhibition hall. The college will accommodate twelve hundred students. The church and college combined front two hundred and ninety feet on Hayes street, and runs through to Grove street, a depth of two hundred and seventy-five feet. It is one of the largest and most magnificent edifices the city contains.

ST. MARY'S COLLEGE.—The St. Mary's College located on the east side of Mission street, or County Road, about four miles from the City Hall, is represented as in a flourishing condition. It is one of the oldest colleges on the coast, and has been under the management of the Christian Brothers since 1863. During the last year there were about 250 students in attendance.

UNIVERSITY (CITY) COLLEGE.—The University (City) College, Rev. James Matthews, DD., principal, is located on the south side of Haight street, between Laguna and Octavia. It was founded in 1839. Although having a nominal connection with the Presbyterian Church, the institution is not under ecclesiastical control, and is unsectarian in its character. The course of study at present prescribed, extends but little further than is needful to fit pupils for entering with advantage a college or university course. The course of study will be extended as rapidly as the students can be prepared for it, and the trustees can provide the means of maintaining a competent faculty.
