ABBENS CONFIDENTIAL SERVICE

IMPORTANT:—

FOR YOUR PROTECTION

When seeking competent confidential professional investigation services, you will find it extremely advantageous to choose your detective agency, tracing, locating, research and advisory service with the same care as you would employ an attorney, doctor or banker. No substitute exists for honesty, quality and faithfulness. Our service comprises competency, based on over 41 years' secret service activity serving thousands of clients throughout the entire United States, Canada, Europe, Central and South America. Your patronage is invited based on our reputation, capabilities and accomplishments. Our secret service achievements are endorsed by bank executives, legal firms, city, state, county and government officials. Consult us and you are safe. Problems solved. Secrecy guaranteed.
