

IMPORTANT CHANGES IN CALLING FROM GARFIELD 1-9000 EXTENSIONS

To San Francisco Supervisors:

Beginning at 12:01 a. m. on Friday, February 22, 1952, direct dialing of station calls from GARfield 1-9000 extensions will be expanded to include dial exchanges within the San Francisco-East Bay extended area which may be reached through San Francisco crossbar tandem. The method of calling nearby manually operated exchanges will also be changed.

A card giving complete information on the new methods of calling will be distributed before February 22.

Please make sure that you and any of your people who use GARfield 1-9000 locals fully understand the changed dialing method.
