### **AND AS TO POLICY . . .**

We make no "service charges" on any kind. \*We charge only the standard commissions of the New York Stock Exchange, or any other exchange on which an order is executed. \*On "over-the-counter" securities, we handle transactions on either a commission basis or at a net price. \*Our service depends on your needs — not your pocketbook. No account is regarded as too small at Merrill Lynch. None too large. \*Our customers' interests must always come first.

So if you're an investor, and like these services and policies, just remember—
