Gentlemen:-

What is the Cervetto Janitor and Window Cleaning Service Plan?

It is a professional cleaning service that is efficient, thorough, economical. It eliminates all the fuss, worry and bother on your part and makes the inefficient, time-consuming, vexing problem of the amateur janitor a thing of the past.

What happens when you call Cervetto?

Cervetto service trucks come to your building at a scheduled time (day or night). Uniformed men (all bonded and fully insured) bring with them carefully tested tools and supplies for a really professional cleaning job. Nothing is omitted and the complete job is double-checked by a supervising inspector. There are no cash payments. You pay the bill monthly.

What benefits do you get from Cervetto Building Maintenance?

Insurance-bonding-close supervision protects you and your property. Especially trained and carefully supervised personnel assure you of a better job. All of our men are under the jurisdiction of the local union.
