THE HAND-BOOK

AND

Directory of the Pacific Coast.

ISSUED IN SETS OF COUNTIES.

Containing a Full List of Names of Permanent Residents, Business Men, Mechanics, Farmers, and Laborers. *A subscription is not necessary for the insertion of a name, as ALL Names will be given, whether parties become subscribers or not.*

Each name, Occupation, Business Location, Residence, and Town or Post Office Address, will be given in tabulated form, arranged under specific heads.

There will be a portion allotted to a description and history of each county, enumerating its interests; of each town, village and hamlet, as well as every valley of importance, with a map of each county.

It will also contain a list of Post Offices of the Coast, Wells, Fargo & Co's Offices, Money Order Offices, and Statistics, such as I may from time to time be enabled to obtain, which may be deemed useful to the general public.

Every name is solicited personally by my agents, and errors are thus largely avoided.
As an ADVERTISING MEDIUM this cannot be excelled.

Obtaining a large circulation among the farmers, renders the patronage of interior merchants a matter of absolute certainty. The fact of their being represented makes the medium equally as valuable to the wholesaler.
