TABLE OF RATES OF DOMESTIC POSTAGE.

The following are the rates of postage on DOMESTIC MAIL MATTER of the different classes:

NOTE.—All domestic Mail Matter (except newspapers, magazines and periodicals sent to actual subscribers from a known office of publication) must be prepaid by postage stamps.

A letter on which one full rate of postage is prepaid, but on which further postage is chargeable, will be forwarded when deposited in a postoffice, charged with the unpaid postage to be collected on delivery. If the postage is left wholly unpaid, or is prepaid less than one full rate, it will be "held for postage" and sent to the Dead Letter Office. Should it reach its destination by inadvertence, however, it will be charged with double postage on delivery. "One full rate" means, in the case of mail letters or other first-class matter, three cents.

If articles chargeable with different rates of postage are sent together in one package, the higher rate must be paid on the entire package; but two or more different articles, both chargeable with the same rate of postage, may be sent in one package on payment of that rate on the whole package.

The following are EXCLUDED FROM THE MAILS: Liquids, Poisons, Glass, Explosive Materials, Books, Pamphlets, Pictures and other publications of an obscene or indecent character; all letters upon the envelopes of which, and postal cards upon which, scurrilous epithets are written or printed or engraved; or disloyal devices printed or engraved; and all articles which from their form or nature are liable to destroy, deface or injure the contents of the mail bags or the person of any one engaged in the postal service.

Postmasters are not allowed to give credit for postage, nor to deliver any mail matter until all postage due thereon has been paid.

FIRST CLASS.

On letters, sealed packages, mail matter wholly or partly in writing (except book manuscripts and corrected proof-sheets passing between authors and publishers, and except local or "drop" letters); on all printed matter so marked as to convey any other or further information than is conveyed by the original print (except the correction of typographical errors); on all matter not otherwise chargeable with letter postage, but which is so wrapped or secured that it cannot be conveniently examined by postmasters without destroying the wrapper or envelope; on all newspapers, magazines and periodicals sent from publishers to subscribers and enclosing any article whatever except bona fide supplements or bills and receipts for subscription; and on all packages of matter not in itself chargeable with letter postage, but in which is enclosed or concealed any letter or other thing chargeable with letter postage—3 Cents for each half-ounce or fraction thereof—weight of packages limited to four pounds.

On local or "drop" letters at offices where free delivery by carriers is established—2 Cents for each half-ounce or fraction thereof—weight of packages limited to four pounds.

SECOND CLASS.

NOTE.—Mailable matter of this class embraces all newspapers, magazines and periodicals exclusively in print and regularly issued at stated periods from a known office of publication, and addressed to regular subscribers.

The postage on this class of matter must be prepaid for not less than one quarter (three months) nor more than one year, commencing at any time, and the payment may be made either at the office of mailing or at the office of delivery.

Postage on *Daily Papers*, not over 4 oz. in weight, to subscribers, when prepaid quarterly or yearly in advance, either at the mailing office or office of delivery, per quarter (three months) 35 cents.
