APPLICATION OF THE NEWLY-INVENTED ADJUSTABLE

### Horse-Shoe Magnet.

Rights and Magnets for Sale.

This Institute is one of the most complete in its appointments as regards the healing agencies employed, and the appliances brought to bear to assist in alleviating the ills of afflicted humanity, of any institution west of the Rocky Mountains. In addition to the Water Cure treatment, with its varied forms of Electric Baths, consisting of Thermal, Russian and Turkish combined, spray, douche and sitz baths, there is the newly-invented adjustable HORSE-SHOE MAGNET, the most powerful remedial agent now known to modern medical science, for relieving all Spinal Complaints, and overcoming congested and diseased parts. Its effects in the treatment of Rheumatism, Neuralgia, Gouty Conditions and Paralysis are truly magical. Before its power Tumors and Glandular Swellings rapidly disappear; through its agency nervous organisms are revitalized, debilitated systems rapidly restored, and all muscular powers are wonderfully energized.

We have also secured the agency of the Aqua Vitæ Mineral Water, of Little Lake, Mendocino county, so well known for its great healing properties, and we are having the water shipped to us regularly, so that our patients and patrons may obtain it pure and fresh. It is an infallible remedy for Piles and Diseases of the Mucous Membrane. When necessary we also make use of medication and surgery.

Rooms and hygienic board furnished to all requiring it.

We claim with the above means and appliances, and also others which it is not necessary to mention, to cure the great majority of those who fail to obtain relief or cure by any former course of medication, and we challenge any party or parties to gainsay or compete with us. The mortality reports of the city will prove that not one death per year has occurred under our treatment during the last sixteen years. This unparalleled record speaks for itself.
