

New Daily Stage Line

TO THE GREAT

PINE FLAT QUICKSILVER DISTRICT.

JOHN A. MARTIN, Proprietor.

Leaving Pine Flat at 4 P. M., connects at Healdsburg with San Francisco trains.

This will give persons desiring to make a quick trip, two and a half hours in the city, and yet allow of their return to Pine Flat the same day.

In point of beauty, the Scenery on this route is

EQUAL TO THAT OF THE GEYSERS.

Any one wishing to visit these mines, can now do so cheaply and expeditiously.
