

MARK WEST**HOT SPRINGS,**

5½ Hours from San Francisco.

DIRECT ROUTE

By Steamer "Antelope"

to Donahue; thence by Cars, connecting at Santa Rosa or Fulton with Stages Direct to the Springs.

The water is considered, by those who have tried it, the Best on the Pacific Coast. The Cold Iron Springs contain no mineral but Iron, which is very strong and consequently builds up the system.

The Mountain Scenery is lovely, being at an elevation of nearly Four Hundred Feet above the Valley of Santa Rosa.

Excellent Trout Fishing in Vicinity of Springs.
