C. H. BUMPUS,

Architect and Builder,

MENDOCINO STREET,

SANTA ROSA, CAL.

MR. BUMPUS takes this occasion to inform the residents of Santa Rosa and vicinity that he is ready at any time to prepare plans and specifications for Public Buildings, Churches, School-Houses, Hospitals, Dwelling-Houses, &c. He will also contract with private parties for the construction of Mansions, Cottages, or for any description of Buildings they may require, from plans furnished him, or from those of his own drawing, as they may prefer. No charge made for plans and specifications where he is engaged as builder.

MR. BUMPUS would refer parties to his work, as the best testimony bearing upon his capability, many specimens of which exist in Santa Rosa, among which may be mentioned the Pacific College.
