— AND —

"EQUALITY TO ALL MEN,"

We being willing to share our profits alike with the farming community and the public generally.

We feel assured in announcing to the citizens of Sonoma and the surrounding country—

That if they will, for once, give us a call and examine our immense stock of goods, and learn our prices, they will be convinced that traveling further to find a cheaper and better article would be a useless expenditure of time and money. As we are constantly importing goods direct from Eastern manufactories, we keep and intend keeping on hand a large stock of

Harness, Saddles, Robes, Whips, Whip Stocks, Lashes,

Bridles and Spurs, Riding and Driving Gloves,

In fact everything belonging to a first-class Harness and Saddlery establishment, all of which we purpose selling on the most reasonable terms.
