ALLISON

MINERAL SPRINGS,

Situated on Kelsey Creek,

Two Miles South of Kelseyville, on the
Allison Ranch.

These Springs are well situated on the bank of a beautiful stream, with good camping conveniences, and wood and water in the immediate vicinity. A large orchard and vegetable garden are also near at hand.

The Springs, though recently discovered, are giving very general satisfaction. They are strongly impregnated with iron, thus making them valuable as a Tonic. One of the Springs is also heavily charged with Sulphur.

GOOD ROADS TO AND FROM THE SPRINGS.
